

KOMMULA JAYA SAI SURYA BHARAN

☎ +91 6303593155 ✉ bharankommula18@gmail.com in LinkedIn GitHub

OBJECTIVE

Computer Science graduate with strong Java skills and hands-on experience in Spring Boot, REST APIs, MySQL, React, JavaScript, and Angular. Skilled in developing backend services and dynamic web applications, with a strong interest in building efficient and scalable software solutions.

EDUCATION

B.Tech in Computer Science, Godavari Institute Of Engineering And Technology **2022 - 2026**
CGPA: 7.9/10 AP, India

Intermediate (MPC), Aditya Junior College **2020 - 2022**
Percentage: 80% AP, India

SKILLS

Programming Languages	Java, HTML, CSS, JavaScript
Frameworks/Libraries	Angular CLI , React JS, Spring Boot, ParcelJS
Databases	MySQL
Web Technologies	RESTful APIs
Developer Tools	Git/Github, VS Code, Postman,Eclipse IDE,Spring Tool Suite

EXPERIENCE

TechWing | Java Full-Stack Development Intern | Remote **May 2025 - July 2025**

- Developed the “Food Ordering System,” a full-stack web application using Angular, Spring Boot, and MySQL, providing a seamless online food ordering experience.
- Implemented key features including user authentication, dynamic menu display, cart management, and order processing, ensuring a secure and seamless user experience.
- Developed and integrated RESTful APIs with the Angular frontend, enabling seamless client-server communication for menu, cart, user authentication, and order management functionalities.
- Developed and integrated RESTful APIs with the Angular frontend, enabling seamless client-server communication and improving application performance. ([Project Link](#))

PROJECTS

E-Commerce Website Designed and developed a responsive e-commerce website for men’s clothing using HTML5 and CSS3, focusing on clean UI and user experience. Showcased strong skills in web design, layout structuring, and frontend development. ([Project Link](#))

Food Ordering System Built and deployed a full-stack Food Ordering System using Angular, Spring Boot, and MySQL with real-time menu, cart, and order management. Integrated user authentication and RESTful APIs to ensure a seamless and secure user experience. ([Project Link](#))

Online Tracking System Developed an Online Tracking System using Spring Boot RESTful APIs to manage customer orders with complete CRUD functionality. Implemented real-time order status updates, showcasing strong skills in RESTful APIS backend development. ([Project Link](#))

CERTIFICATIONS

- Java Certification:** Java Certified (Certiport/Pearson, issued Sep 2025)
- TechWing Internship:** Completed a Java Full Stack Development internship at TechWing, building end-to-end applications using Angular, Spring Boot, JDBC, Hibernate, and MySQL. Gained hands-on experience in frontend-backend integration, REST API development, and full-stack project deployment.
